PROFESSIONAL SUMMARY

I am a student with experience from work practice periods (TET) and summer jobs, such as event setup and cleaning.

I am looking for a job where I can develop my skills and gain more work experience.

My strengths include problem-solving ability, efficient information retrieval, and the ability to work both independently and in a team. I am responsible, reliable, and eager to learn new things. In addition, I maintain my own portfolio website where I present my projects:
